

CAPTAIN WAIVER FORM

SEASON: _____

TEAM: _____

As Captain of my team, I _____ (name) take responsibility for the following duties:

- Informing all players that play for the team during the above mentioned season at CitySide Sports that the competition does not automatically supply personal accident injury insurance, however that optional coverage is available. I will notify my players that if they choose not to take out the optional insurance, that CitySide Sports recommends that players at least have their own private health insurance, or play at own risk.
- Understand that having enrolled the team into the season, we are expected to play out the season in full, or may be liable for forfeit fees for the remainder of the season.
- Control my players on court to ensure they behave in a socially acceptable manner and follow any instructions given by umpires or supervisor on the matter.
- Read the by-laws on the CitySide Sports website and keep up to date with any changes that may occur.
- **Acknowledge that CitySide Sports Management shall determine if games shall be played or not based on the weather and that if the decision by Management is to play, then my team must take the court or shall forfeit and the appropriate forfeit fees will be due.**
