

2024 MIXED NETBALL CHARITY TOURNAMENT

NOVEMBER 10TH @ RICHMOND

Once again, our annual Mixed Netball Charity Tournament is being held on the second Sunday of November. We will be holding two sessions, 9am - 2pm and 2pm - 7pm.

REGISTRATION FEE: \$100 per team, paid when registering
PLAYER FEE: \$20 per player, paid on the day

All money raised, will go toward the chosen charities - yes, plural this year! CitySide Sports covers all expenses, our wonderful umpires and staff volunteer their time, so all your money paid goes direct to the cause.

This year we had two wonderful organisations put forward by two of our umpires and we could not choose between the two. So, the morning and afternoon session, will each raise money for one of the two.

MORNING SESSION: Disabled Surfers Association Mornington Peninsula

This organisation operated by volunteers, assists those with disabilities to get into (or back into) surfing. Being able to stay active with our love of netball is something we might take for granted, and it is an honour to be able to put our support to help others be more active.

AFTERNOON SESSION: DadLan.AU

This organisation is an important community charity that supports Dads to fight loneliness, improve mental health outcomes, and provide dependable social spaces tailored to meet the unique needs of Dads from all walks of life. With one of our umpires who nominated DadLan and is a part of this group, we are pleased to throw our support behind them.

REGISTRATION IS OPEN - LIMITED SPOTS

Maximum of 24 teams per session. Register at www.citysidesports.com/tournaments
